NINCO 1[®]

NINCO 1 Brand is designed and manufactured to satisfy the casual, Home slot car user

NINCO 1 introduces the concept of slot cars as a family toy... pure simple fun!

NINCO 1 reduces prices... a novice needs mechanical simplicity, crash resistance & good performance on the home track

1. Simplified mechanics – for the “little ones” and beginners in the hobby
2. Optimum workability for playing at home (with a magnet) and impact resistant body shells
3. Aesthetic replicas are accurately reproduced
4. Ideal for upgrading to N-DIGITAL
5. Presentation box is reduced in size
6. First models available will be:

Chevrolet WTCC “Blue”(755001) and “Grey”(755002)

Naturally, this new range is totally compatible with all NINCO track systems, including N-Digital.

755001 CHEVROLET WTCC “BLUE”

PRICE: \$52.98

755002 CHEVROLET WTCC “GREY”

PRICE: \$52.98

Race The Red Triangle!
