

Bottom of decoder

MRC 0001811, 1812, or
1828 decoder for Atlas

2 Tabs

A diagram showing a green horizontal bar with two yellow rectangular tabs protruding downwards from its center. Two lines from the text '2 Tabs' point to these tabs. The bar is flanked by two larger green rectangular blocks.

Atlas N scale
chassis

A diagram showing a cross-section of a grey chassis. Inside, an orange motor is mounted. Two yellow tabs are attached to the motor. A line from the text 'Atlas N scale chassis' points to the chassis. Another line from the text '2 motor tabs' points to the tabs. A third line from the text 'make sure both motor tabs are bent up to provide enough pressure against the decoder tabs' points to the tabs.

make sure both motor tabs are bent up to
provide enough pressure against the
decoder tabs
